In November 2000, LCC completed a major expansion of facilities including the building of four major new function rooms, two new foyers and surrounding areas. The expansion has resulted in the creation of Western Sydney's premier events venue...

"On behalf of the staff at Sydney Water - Customer Sustainability division, I consider it a pleasure to take this opportunity to thank you and your staff for a successful evening in running the Sydney Water Plumbers Seminar."

"Our guests... were delighted with the hospitality and the venue itself. The access was so easy and the kindness, well presented and professional nature of the Liverpool Catholic Club just made things even easier and functional to work with."

"With this experience in mind, we will definitely not hesitate to host any further functions at the Liverpool Catholic Club. Once again thank you so very much for an evening that was a huge success for Sydney Water."
